# Endurance Bamboo

Quality Is Our Attitude

Bamboo flooring is an attractive alternative to hardwood floors. Naturally self-generating, bamboo grows to maturity within five years and is regarded as the strongest plant on earth.

Coffee

Endurance bamboo only uses the best flooring techniques in manufacturing our strand woven flooring product. Our waxed edges provide for a superior locking system.

Using wax enables the following benefits,

- Noise suppression in the joints, making for a quieter floor.
- Protecting the joints from accidental water spills, and drying out.
- Quicker easier installation with a better more secure locking fit.

We have a four ranges of finish in our bamboo collection.  
Semi-Gloss, Gloss, Embossed and Vintage

We are known for supplying high quality products that last and offer satisfaction for years to come.
