ECO FLOORING SYSTEMS

FEATURES OF ORANTO LOOSE LAY PLANK

EFFORTLESS CLEANING

In case your little ones are always spilling things on the floor or if your pet enjoys to leave reminders of his presence around the house, then this type of flooring will be a perfect fit because it's incredibly easy to clean!

VERSATILE ITALIAN DESIGN

Thanks to its cutting-edge molecular plank technology, Ornato Vinyl flooring has been created to be the ultimate stylish solution that will take your home's style to the next level!

TOP-LINE QUALITY

Ornato flooring has been constructed upon the highest quality standards. It's designed to be top-notch and exceed your highest expectations!

HASSLE FREE INSTALLATION

Installing your new flooring shouldn't be complicated or difficult – And when you use Ornato Loose Lay flooring, you know that installation is literally effortless. The anti-slip backing keeps the tiles in place and minimizes the need for adhesives, thus making the installation easier than stealing candies from a baby

BEST FLOORING IN EXISTENCE

Ornato vinyl flooring outperforms other flooring solutions thanks to incredible features like: R10 rated slip resistance, increased underfoot comfort, scratch and scuff resistance, free of potentially harmful chemicals and heavy metals, NanoSilver coating against bacteria, viruses and molds and much more.
